to serve up some fun!

**Sunday, November 3rd, 2024**  
**9am-4pm**

## PEARTREE PICKLEBALL TOURNAMENT

### About us:

ORT Canada is a fundraising organization that supports selected local educational projects and raises money for global World ORT programs. ORT Canada has raised millions of dollars for ORT projects in Israel and Ukraine among others. Our funding fortifies ORT schools, strengthens educational programs with state-of-the-art technology, enhances the teaching experience for educators, and ensures the next generation has a solid foundation for the demands of an increasingly higher-tech society.

### The Event:

This will be ORT Canada's inaugural "Peartree Pickleball Tournament". Whether you're a seasoned pro or new to the game, this event promises a day of friendly competition, community spirit, and a fantastic opportunity to support a great cause. All proceeds from the tournament will go towards ORT's International Network of Educational Programs, helping to make a positive impact! Teams of two will play a bracket-style tournament (based on skill level and competitiveness) and champions stand to win awesome prizes! Gather your friends, family, and fellow pickleball enthusiasts, and join us for a day of smashing good fun and philanthropy.
